slider window. Clay/red trim/driftwood shingles. Shown  
with optional vents. Available partitioning can create space  
for changing room and separate storage area.*

# The Barn

**10x12**

## *Vinyl Barn*

*A workhorse in dress clothes, this vinyl barn has 5' high walls, pearl siding, clay trim, gray roof.*

**8x12**

## *Pre-Fab Kits*

*All buildings can be made in "pre-fab" or kit form. Much of the hard work has been done — painted, doors and windows installed and material pre-cut!*

8

# Traditional Appeal

# The Barn

**10x14**

## *Wood Barn*

*Barn with 4' walls in Navajo siding with blue trim and brown roof.*

**8x12**

## *Wood Economy Barn*

*Economy barn with 4' walls in traditional colors: red/white trim/black roof.*

## Dutch Barn

**10x14**

### *Vinyl Dutch Barn*

*The barn grows up. This vinyl Dutch barn has almond siding/white trim/tan roof. Optional vent is shown. Vertical door units are available in white only.*

**10x16**

### *Wood Dutch Barn*

*Beige/hunter trim/tan roof. Shown here with standard features and optional vent.*

## Practical Storage

## Utility Barn

**12x24**

### *Vinyl Barn*

*A welcome addition to any property, this vinyl barn is shown with clay siding/white trim and black roof. Options shown are higher walls, entry door, and overhead door.*

**12x16**

### *Wood Barn*

*A garden shed big enough for the riding mower! Optional overhead door fronts the high wall wood barn. Additional single door adds versatility. The higher wall option allows plenty of overhead loft space. Red/white trim/gray roof.*

## Gable Style

**10x14**

### *Vinyl Gable*

*Clean lines on the 10 x 14 vinyl gable. Almond/brown trim and roof. The only "extra" is the vent. Vertical door inserts are available in white only.*

**10x12**

### *Wood Gable*

*This 10 x 12 wood gable just shines in white with clay trim and gray roof.*

10

## High Wall Gable

**12x20**

### *Vinyl Gable*

*A real beauty, this 12 x 20 vinyl gable has an optional overhead door, higher walls, side door and vent added. Gray vinyl/white door trim/black shutters and shingles. Vertical door inserts are available in white only.*

**12x20**

### *Wood Gable*

*12 x 20 wood gable white/black trim/gray roof. Optional higher walls, side door & overhead door make the gable a very versatile building.*
